Once we have received your complete documents, we **usually make the transfer within 30 days**. You will receive a statement of departure as confirmation of payment.

Information

The termination benefits equal the amount of your accrued pension fund assets upon departure from the pension fund. The vested benefits consist of the retirement credits, previous pension fund assets brought into the fund, any purchases you may have made, and interest.

If you change jobs, you are personally responsible for ensuring that your assets are transferred to the new pension fund.
